2. PREVIOUS MINUTES

Action for forum members to think of ideas for anti-violence pin badge carried over.

3. HOMELESSNESS - TARA SCARTH

Tara introduced herself and gave a brief background to her working career, now working for NBC as part of the Single homeless team and previously working at The Hope Centre.

Prior to Covid Night Shelter was run for 20 males, dormitory style accommodation, this has been the 1st step to engaging with people – good opportunity to get to know people and work with them. In Northampton we are saturated with people on zero-hour contracts and lots of Eastern European people who have no recourse to public funds.

With Covid we had to review our nightshelter – could no longer stay at the provision due to covid. 1st weekend of Covid 71 people (both male and female) moved to 2 hotels.

- 01.07.20 – 14.12.20 – Rough sleepers accommodated at St Johns
- Working with Keystage Housing now have a 27-bed unit, own room and can accommodate both men and women.
- Current rough sleep count November 2020: 9 people found. 32 volunteers covered all areas. This is a snapshot on one night. We believe we have 30 rough sleepers
- To report rough sleeping: Streetlink <https://www.streetlink.org.uk/>
- SWEP – Severe Weather Emergency Protocol – triggered 2 consecutive nights zero or below degrees. Open 9.00pm – 9.00am. If under the influence of drugs or alcohol asked to go for a walk and return – we try to not refuse anybody but must safeguard staff and other rough sleepers.

Questions

(Q1) Is 30 high relative to other areas? South Northants and Daventry have lower numbers

but remember Northampton has a lot to offer – people share experiences and what we have available.

(Q2) Are the hotels in town still in place now that we are in second Lockdown? TS advised locally we do not make this decision – Central Government do. No they are not open at the moment.

(Q3) In France they are combating homelessness by removing benches / banning begging, would we consider doing this? AL replied – Community Safety Partnership work with Police, ASB, Crime Prevention, have Public Spaces Protection Orders. Prevention is key.

(Q4) Do we have any numbers of how many rough sleepers are back out due to being lonely due to Covid? TS confirmed aware this is a big issue, lots of people are lonely, social isolation and missing people. NBC Homeless team are working with Father Oliver Coss , All Saints to support social isolation.

AL thanked Tara. Any questions any members have please let AL know and she will forward to Tara. Tara asked if over the ages of 18 and would like to visit, volunteer, very welcome to come and support. Also highlighted to be wary of reports on social media.

4. TOWN CENTRE REGENERATION - JAMIE CHALMERS

Jamie introduced himself and gave a brief presentation on the Town Generation. Physical regeneration, new house, open parks, leisure attractions – what can we do to make Northampton better / compete with Milton Keynes / Rushden Lakes? Also link to Oxford / Cambridge Arc.

50mn funding bid for key projects available – before Christmas applied for £32.7mn. Awaiting outcome.

Challenges:

- Conditions for businesses to flourish
- High quality workspaces
- Delivering quality houses
- Creating both town centre that benefits all of communities

Vision:

- Strengthen Northamptonshire
- History
- High quality houses
- Parks / Open Spaces

Your Views – What would you like to see?

- Vintage shops / Art Galleries
- Shops (different types, not in competition with MK/RL), Restaurants and Cafes
- Colourful – town is Grey
- Public transport an issue
- Need to think physical ways to get around town – encourage people to come to town

Bid has gone in and will advise outcome – the plans shown are just the starting point and ideas can be worked in. If you have any questions or want further information please email:
