Feedback Questionnaire

Wootton Conservation Area Re-appraisal

The consultation period runs until **Monday 18th January 2009**

Northampton Borough Council has drawn up a draft Conservation Area Re-appraisal and Management Plan for the Wootton Conservation Area. This would, if approved, extend the boundary of the conservation area to include new areas to the north-east and east of the existing conservation area. Some of the buildings and structures within the conservation area are already protected through their listed building status.

How to take part in the consultation

You can comment on the plans using this questionnaire (with the accompanying leaflet), or by writing to or emailing the Conservation Team.

This questionnaire is designed to accompany the summary leaflet. A full copy of the draft Re-appraisal and Management Plan can be found in the locations detailed below.

Your feedback will help develop the final version of the Wootton Conservation Area Re-appraisal and Management Plan.

What happens to your feedback?

- Northampton Borough Council may amend the Re-appraisal and Management Plan document in the light of representations received.
- All representations form part of the statutory planning process and will be made available for public viewing. However, we will not print contact details.
- Your details will be added to our database for the Wootton Conservation Area Re-appraisal and Management Plan and we will keep you informed about the development of this Plan.
- On receipt, the consultation monitoring form will be removed from the main part of the questionnaire and analysed separately. It will not be possible to associate any particular individual with the replies on this form.
