Corporate Performance

All Measures Report

Q1 - 2020-2021 - June 2020

NORTHAMPTON BOROUGH COUNCIL

Introduction

The report details the full list of performance measures monitoring the Council's Corporate Plan by corporate priority and is published quarterly.

The measures contained within this report are monitored on a monthly, quarterly, half yearly or four monthly basis.

Performance is reported against the latest report period and then by overall performance year to date (YTD). Overall YTD performance is monitored against the current profiled target and helps us to keep track of the progress towards meeting the annual target.

Performance comparison against the same time last year is highlighted where comparative data is available.

Report Key:

- Exceptional or over performance
- n or exceeding target
- Within agreed tolerances
- Outside agreed target tolerance
- Good to be low: Better
- Sood to be low: Worse
- Good to be High: Better
- Good to be High: Worse
- No change

- No data or target available
- No data available
- No target available

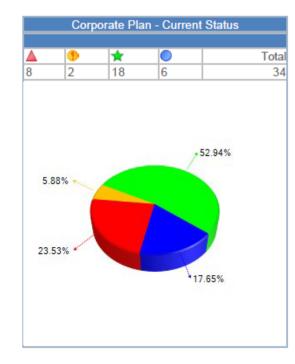

Northampton Borough Council Corporate Plan 2019 – 2021

Ambitious | Prosperous | Proud

- A stronger economy
 - Shaping place and driving growth
 - Creating a thriving vibrant town
 - A clean, green and tidy town
- Resilient communities
 - · Keeping the town and people safe
 - Empowering local people
 - More homes, better homes
- Exceptional services to be proud of
 - Putting the customer first
 - Spending your money wisely
 - Improving your governance

Delivery of the Business Incentive Scheme and account management to key businesses

The Five Year Business Incentive Scheme came to a close at the end of March 2020, and has been extremely successful with overall figures of 167 new and existing businesses being supported with committed grants of £1,406,991, creating 799 jobs and leveraging £8,493,868 of private sector investment.

Source Date 30/06/2020

Delivery of the Four Waterside Development

The Masterplan was approved at Cabinet in February 2020, and the development appraisal and delivery advice have now been completed. A draft business case to meet the viability gap has been developed and is in the process of being appraised by SEMLEP ahead of being brought to the Enterprise Zone Board by July 2020.

Development of the Cultural Quarter

Museum The 'Practical Completion' certificate was accepted by NBC in April. There is still a range of works outstanding that will be completed as part of the close out programme submitted by the contractor. Extra internal measures have been put in place to monitor the commissioning and to report on a weekly basis if there are any further delays. Installation work was mainly halted due to the Covid-19 situation, but a skeleton staff were able to continue to work safely. Museum staff are working towards opening the museum at the earliest opportunity when it is safe to do so.

Development of the Cultural Quarter - Vulcan Works

Development continues with masonry works on Guildhall Road, underpinning and drainage complete. The last bay and internal alterations underway in Fetter Street. Equipment has been removed from the cellar and will be infilled with concrete. Partitioning to the upper floors is almost complete on Angel Street with the units taking shape and skimming is in progress. Truss repairs are completed and ready for installation in the Victorian Workshops. The steel frame structure works are in progress and the lift shaft is now taking shape. The project team are in contact with the external project manager during the Covid-19 pandemic, to keep informed of any potential risk to the programme. The final drawdown has been completed for LGF funding.

Delivery of the Castle Station development

A workshop meeting to discuss various options and progress agreement was held in late April. Following the workshop it was agreed that a meeting would be arranged with the Department of Transport which will be held ahead of the Cabinet paper later in the year should the council wish to progress this development.
