NORTHAMPTON
BOROUGH COUNCIL

Code of Conduct for the Forums

This Code of Conduct sets out the standards that the Forums expect of its members. It aims to provide members with an effective ethical framework in which to do business. It is not intended to be exhaustive, or to cover every eventuality, but sets out some common sense requirements to enable the forums to function smoothly and successfully.

It is the responsibility of the Chair to encourage and enable input from forum members, to ensure all voices are heard.

1. Meeting Etiquette

As an attendee you must comply with the following requirements and any others that may be stated from time to time:

- 1.1** Contribute positively to discussions concerning the issues of the meeting
- 1.2** Be friendly, polite, courteous and respectful at all times to fellow members, and others present
- 1.3** Not insult, abuse or use offensive language or behaviour
- 1.4** Comply with Northampton Borough Councils Equal Opportunities Policy
- 1.5** Demonstrate actively that you are interested in and care about the issue that you are discussing and want to make a positive difference
- 1.6** Show respect for buildings, facilities and equipment being used
- 1.7** Speak only through the Chairman of the meeting and not interrupt, heckle, make distracting noises or gestures
- 1.8** Speak clearly into any microphone provided and comply with any instructions given about its use

2. Being Objective

- 2.1** Your own experience and views should inform, but not dominate or dictate how you participate.
- 2.2** If you have a specific issue with regards to a service matter to raise these can be discussed with a member of staff at the end of the each meeting or you can ask for the appropriate officer details. Meetings attended by other residents are not the place to raise any issues of this nature.
- 2.3** Be Fair
- 2.4** You must have and show respect for the people you deal with, and take their circumstances and personal differences into account. This is about putting equality into practice. The key is simply to respect differences fairly, so that you do not exclude anyone, or treat anyone inappropriately or unfairly because of their particular circumstances.

Breaching the Code of Conduct

If any person's behaviour breaches this Code of Conduct, they will be required to leave the meeting and vacate the premises where it is being held. They will not be permitted to attend future meetings unless they provide satisfactory evidence to Northampton Borough Council that they will comply with the Code – e.g. a letter of apology.

If you would like further information or if you would like to discuss the Code of Conduct please contact Vicki Rockall, Partnerships and Communities Manager at vrockall@northampton.gov.uk or on 01604 837074

Northampton Borough Council - Northampton Women's Forum

Tuesday, 30 January 2018

ATTENDANCE: Cllr Anna King (AK, Chair), Pauline Woodhouse (PWo, Co-Chair), Michael Macleod (MM, NBC), Debbie MacColl (DM, NBC), Sheila Baker (SB, Townwomen's Guild), Kate Scott (KS, NABPFA), Scott Potter (Northants Police), Pindy Chahal (PC, SCCYC), Irene Bianchi (IB, Aquarius), Louise Musson (LM, Call Care), Alice Morgan (AM, Museums), Ann Bodsworth (AB, NDAS), Danielle Stone (DS, NBC), Dawn Thomas (DT, NRC).

APOLOGIES: Neelam Aggarwal-Singh, Morcea Walker, Inderjit Jutla.

2. MINUTES AND MATTERS ARISING

Minutes accepted as true and accurate.

3. DEBBIE MACCOLL - HATE CRIME REPORTING

DM went through Hate Crime reporting PowerPoint and explained to Forum members what they are and how to report it.

ACTION: MM to share details via circulation list.

PW: 101 is not a great way to report – it takes too long for anyone to answer. 1 hour plus.

PC: What is the best way to report it – lots of abuse on our road and nothing is ever done about it.

PWo: 101 might be time dependant, got through easily on Sunday.

AB: Police have responded quickly – may grade on importance.

4. ALICE MORGAN - NMAG ACTIVITY PLAN CO-ORDINATOR

AM talked the Forum through the new museum project and the aims of the project.

AM guided the Forum members through the questionnaire and explained how they can help shape the upcoming exhibit.

DT: Facebook group Old Faces.

SP: History and Social page too.

Q: When/where will it be?

A: In the new museum in the temporary exhibition for at least 6 months when it re-opens.

AM: Opening end of 2019.

5. HATE CRIME IN SCHOOLS - FORUM MEMBERS DISCUSSION

Cllr Golby did not attend the forum, gave contact details of other Cllr to contact.

DS: No centralised collection of hate crime data in schools. Academies are not bound to give this info any more. The same as sexual violence.

ACTION: MM to collate questions from forum members to send to DS who will forward them on to the relevant officer(s).

DT: SRA policy is being discussed in parliament currently – age may be lowered.

PWo: Parents are the ones that are giving children permission to whether they can or cannot engage in learning about certain topics and there can be a lot of variables with that.

LM: Agreed with CPW – children need to be taught about a healthy relationship.

DT: You can teach children loosely about sexual abuse and talking to them about personal space.

AB: More information is now being added into the PSHE curriculum.

AB: A lot of girls are not being given permission in the Asian community to talk to the proper authorities.

PWo: Can you re-look at the programme and develop a workshop?

PC: People are happy to get support for others but they often won't get help for themselves.

DS: We need a shared vocabulary. It cannot be communicated if one party does not understand what the other is trying to say.

PC: We are trying to relaunch our support through supplementary school. It would be helpful for a discreet leaflet to be given to schools so everyone has an understanding.

Forum to submit e-mails/questions to mmacleod@northampton.gov.uk

6. COMMUNITY INFORMATION EXCHANGE

AB: Women's services strategic group in Northampton has not met up for over 12 months. NCC published article saying all women's services are funded, when they are not. Over 30 families housed in the county whose accommodation may be in jeopardy. OPCC/NBC/NCC – none are responding or taking the matter seriously.

DT: We have to go out of the county to get funding – time we are spending to source funding should be spent on service users. Also the premises needs to be vacated but with the uncertainty at the minute, it is hard to forward plan.

AB: The new hub planning is not going well.

Q: Who is the strategic lead?

A: Nicki Marzac.

ACTION: Invite to the May forum after the upcoming meeting when funds are finalised.

Q: Could we write a letter?

A: Yes it could be done after more discussion.

DT: Sexual violence forum never meets so many do not have a true understanding about the true statistics and consequences about sexual violence.

AK: Could we push this through the community safety partnership?

AB: NBC spent money (£50,000) on research from Warwick University with no results ever coming back.

AK: To find out more information about this.

Q: What has happened to national funding (DCLG) that was announced?

A: Could be announced in November but not sure and it does not necessarily cover sexual violence.

AB: The DCLG expected each organisation to set out a strategy to their standard. If they look at Northampton, they will see nothing has been done which may put future funding at risk.

SB: Money often goes to places which it shouldn't. Public have raised awareness about how unnecessary some ideas are and they are often ignored.

DT: We need to work better with community groups and build better relationships which allows more effective results.

AM: Anyone who would like to receive the new newsletter will need to fill out a new form.

LM: Northampton has a Dementia Action Alliance – Information sharing alliance. LM gave the forum her business card and info sheet. It is very useful to find out what is going on, especially for those who are supporting people with dementia.

DS: Been at the food poverty network. Women and children are most affected.

Errol Flynn are showing Made in Dagenham. They are only going to take the cost of showing the film. The proceeds will go to the Domestic Abuse Services and Rape Crisis.

ACTION: MM to circulate details to all Forums.

AB: Errol Flynn need 28 people to make their money back.

DT: Continuing to apply for funding outside the county. St Andrews are having to take back one of the offices. In talks with PCC about sharing Warwick house but it

may not accommodate needs of both parties. May have to revisit and look at other options. Date is not set as of now.

DS: Town of Sanctuary event at Abington Park bowling green. Fundraiser to raise funds for refugees.

£10 for tickets at 7:30pm on 17th February.

IB: Aquarius – are funded for the education of drug and alcohol abuse for the next few years. Also Aquarius are relocating in April.

PC: E-mail address has changed.

PC: Market sanctuary story sharing event and tea/coffees. Sunday 4th March is a possibility.

SP: To update Naomi about the crime scene event.

KS: Palestinian women from 4 different towns visiting from 20th to 22nd March. Six women are coming in total, the women are professionals with families, holding various jobs, e.g. engineer and head teacher. Organising Women's discussion forum, will be on 21st or 22nd. There will be a Palestinian meal at 5:45pm, before the meeting at the Quaker house a.

SB: Still going ahead with centenary of women's vote celebration. 7th July. Very keen on opening guilds for younger women. Could be worth putting leaflets in local undertakers for those ladies who find themselves alone later in life.

AB: MHA look to visit lonely adults which could be beneficial.

DT: There are lunch clubs that you could contact with more information too.

SB: Looking to start different groups and the funding is there to do it but it is very hard to set up.

PW: Are there refuge services for men who are victims of domestic violence.

AB: Yes, opening up in two weeks. More information on NDAS.

DS: It would be interesting to see who the perpetrators are against both genders.

AB: It is a fantastic opportunity that we (NDAS) have been given, we are not losing focus on women but there are men who need help too and cannot be neglected.

SB: Help for children disappears when they turn 16 as they are no longer a child and are then treated as an adult.

PWo: There are many issues affecting different communities of each gender, but unless they do not say anything it is a guessing game. The more we work together, the better we can do as a whole.

Set a date in the year in between IWD and 16 Days of Action.
Forum to discuss how to raise awareness and what event to run.

AB: Awareness could be raised at doctor's surgeries.
