### When Do I Speak At The Meeting

### Other Important Notes

- Speakers are only allowed to make statements – they may not ask questions or enter into dialogue with Councillors, Officers or other speakers.
- Consideration of an application will not be delayed simply because someone who is registered to speak is not in attendance at the time the application is considered
- Confine your points to Planning issues: Don't refer to non-planning issues such as private property rights, moral issues, loss of views or effects on property values, which are not a material consideration on which the decision will be based.

- You are not allowed to circulate new information, plans, photographs etc that has not first been seen and agreed by the Planning Officers
- Extensive late representations, substantial changes, alterations to proposals etc. will not be automatically accepted, due to time constraints on Councillors and Officers to fully consider such changes during the Planning Committee Meeting.
